BOARDING STUDENTS

Boarding houses

Designed on the concept of a family home, under the watchful eye of supervisors, the boarding section is an extension of the day in a convivial atmosphere, meals and leisure time. Our five IBS boarding houses accommodate boarders in rooms of two to five. Student rooms are organized by gender and age range. Languages/nationalities are mixed when it is possible.

Weekend Outings

The boarding students who stay for the weekend take part in cultural outings to discover the Provence region and regain their strength before a new week of training.
